1992 Coachman 36' 5th wheel RV Vin 1TC3B2875N1002207

We picked this unit up in Riverview and it pulls easily. The battery will need recharge, but everything appears to be in place

Coach Accessories

- No generator set included
- Air conditioner and appliances are in place (reported as working but untested - condition unknown)
- Electric operated landing gear works
- takes a 5th wheel hitch receiver (not included)

Note* The aluminum winding pole for the awning is tied to the top of the unit. We dont know if it works or not. We did not try to set up the awning.

Buyer will be responsible for title transfer and tag fees

Buyer will have to pick up within 4 days following the close of auction at our yard. After Sept 3rd 2010 the daily storage rate is \$15.
